

Partner ★ Plan ★ Act

an Illinois Action for Children Community Systems Development Initiative

+
Community Systems
Statewide Supports (CS3)

Community Systems Statewide Supports (CS3)

- 5-year contract funded by Illinois State Board of Education (ISBE)
- Goal: Develop a statewide training and technical assistance system in Illinois to support early childhood collaborations

Community Systems Statewide Supports (CS3)

- CS3 project also partners with:
 - INCCRRA
 - Ounce of Prevention
 - Innovation Solutions (Family Engagement)
 - Foster What Matters
 - Community Systems Development Subcommittee (Early Learning Council)
 - Early Childhood Collaborations

CS3 Supports for Collaborations

■ Foundational Supports

- Engage local collaborations to inform training and TA supports
- Provide regional in-person trainings and web-based learning opportunities
- Host the Partner Plan Act annual conference

■ Targeted Supports

- Develop supports for Level 1-3 collaborations
- Establish application process to receive training and coaching supports
- Facilitate peer learning communities

Stay Informed & Connected

- Visit the Partner Plan Act website:
www.partnerplanact.org
 - **New:** Online communities feature to website (expected rollout Sept. 2018)
- Sign up for Partner Plan Act email list
- Sign up for Early Learning Council's Community Systems Development Subcommittee listserve

- Kristina Rogers, Project Manager
 - Kristina.rogers@actforchildren.org
- Vanessa Lee, Data Analyst
 - Vanessa.lee@actforchildren.org

+ Roundtable Discussion

- 1) What are some of your collaboration's successes or accomplishments?
- 2) How have you developed momentum for your collaboration work?
- 3) What is one thing you learned today that you would like to implement or a goal/strategy that you have for the next year?
- 4) How can IAFC's CSSS Team support you in accomplishing that goal? (Feel free to recommend training or coaching topics)
